Dear Shooter:

The Defensive Shooters Confederation will present the IDPA Blackwater Shoot-out 2008 at the Blackwater Training Center in Moyock, North Carolina on October 25th and 26th.

The Match will be a one day format for shooters to compete either on Saturday or Sunday.

We are planning twelve courses of fire and can accommodate only 60 shooters per day.

The courses of fire will be in the Blackwater Shoot Houses which are truly unique and probably one of the few places in the world to shoot this format. I am sure you will enjoy engaging the bad guys in the maze of rooms, doors and hallways in these Shoot Houses.

*We will be offering a quality polo souvenir shirt. The shirt will have contrasting piping on collar and sleeve trim. Embroidered Blackwater and DSC logs will be on the shirt at either the breast or sleeve of the shirt.
Cost of shirt \$25.00*
